WELLTRE'

HAIRCARE TELLS THEIR STORY

A news article discusses current or recent news of Welltre' HairCare launch. Welltre' Haircare is a Connecticut based HairCare brand by two sisters, One has been in the beauty industry for over 28 years and the other is embarking in the industry. These women are the co-founders of Welltre' Haircare. Rhonda is a Veteran hairstylist and LaTonya is a Mental health Professional breaking into the beauty industry, but no stranger to haircare products. as she has two daughters of her own. Where she's used countless products on their hair, These two women. are planning to launch their unisex multi texture haircare brand. on line providing products to the USA and abroad.

The sister's realize the beauty industry is a competitive industry, but feel there is enough for everyone to get a piece of the pie. Welltre' Haircare encourages every human to "Embrace their Beauty". Welltre' products are for the entire family. excluding no one. their brand consist of shampoos, conditioners edge control, emu oil, Vitamin E oil, mousse, hair growth oil, curl defining cream, hair balms, and more. Welltre' Haircare also has a mens collection, ,Innovative man making grooming easier, which consist od beard oil, shampoos and conditioner leaving the men feeling fresh and smelling amazing.. Welltre' Haircare also wants to express how important it is for people to realize clean eating is one thing that contribute

to healthy hair growth in addition to good natural products that target stimulating the hair follicles and increasing the blood flow to produce growth. Welltre Haircare is on social media platforms Facebook and Instagram please follow Welltre' so you don't miss the launch date as it is very close, to announcing, you can also subscribe to their newsletter on their website at www.welltre4haircare.com. These sisters are excited and look forward to you joining the Welltre' Haircare family.
